FERENC DEÁK
DOCTORAL SCHOOL OF LAW

CENTRAL EUROPEAN ACADEMY

The Central European Academy is committed to supporting comparative law, managing large-scale researches and training projects in Central European countries, involves legal professionals and young people interested in the field.

In order to achieve its goals, CEA operates the Central European Professors' Network, organizes international scientific conferences and webinars, provides scientific publication opportunities, and creates and manages online professional interfaces.

As a result of its activities, the Academy is confident that, in addition to improving the quality of domestic legislation, it will be able to create and support a widely acknowledged professional network involving Central European countries.

CEA INTERNSHIP
PROGRAMME
2023**

FULL TIME INTERNSHIP PROGRAMME FOR PHD STUDENTS

Location: Budapest & Miskolc, Hungary

Duration: 4 years (8 semesters)

Scholarship: available, application needed

Housing allowance: available, application needed

Students participating in the 'Central European Comparative Law (CECL)' **English-language PhD programme** at the **Ferenc Deák Doctoral School of the University of Miskolc** and also take part in the **internship programme of the Central European Academy (CEA) paralelly**. Scholarship is available in case the intern is admitted to both programmes.

Why to you choose us?

- Experience the **international environment** of the CEA
- The **course material** has been prepared in English directly for this course **by around 200 Central European university lecturers**
- Gain **insights into research and publication processes** throughout various themes of comparative law and **participate in smaller research activities** and get involved in other different activities of the CEA
- **Collect literature, contribute to the writing of research reports, write and publish scientific articles**
- The acquired knowledge during the internship programme will **greatly contribute to the candidate's research and professional progress** in which the CEA helps PhD students in many ways to **publish these scientific results**.
- **Organise actively and attend international conferences and other scientific events organised** by the CEA.
- **Join foreign programmes, summer schools and further trainings** (contribution to the financing)
- **Foreign-language training provided by CEA**
